What to do if the person is in your venue?

If any of the above persons are in your venue and they attempt to make a Tabcorp transaction, the transaction should be rejected/cancelled. The customer should be advised that TAB is not able to accept their business due to a business decision reached by Tabcorp. If activity is seen on an EBT/SST that person should be requested to cease doing so.

Agents are reminded to refresh their knowledge and ensure all staff are aware of the personal safety advice and procedures detailed in the [National Retail Operations Manual \(NROM\)](#) on MyTAB.

Licensed Venues should refer to their own policy and procedures in relation to personal safety.
